88 Contemporary Bedrooms

2 Stylish Bars

London's Kensingtonrooms is a new Cool Contemporary Design Hotel and Event Venue, with stylish bars, vibrant bedrooms and exclusive modern private meeting and dining rooms that cater for everything from corporate meetings to fashion and music industry functions.

### Discover

hidden behind the façade of four beautifully restored Victorian town houses, modern interior spaces create a cool chilled out atmosphere in which to relax enjoy and be creative.

### Bedrooms

Designed to offer contemporary luxury giving a feeling of lightness and calm.

### Location & Parking

Kensingtonrooms is located within a short walk of Gloucester Road Tube Station (Piccadilly, District and Circle lines). It's ideally placed with good transport links to all major airports and transport interchanges. Metered parking is available near the entrance to the hotel in Courtfield Gardens.

### Meeting Room Facilities

Kensingtonrooms is a stylish contemporary event venue with a fresh approach to providing private and corporate entertaining. The size and flexibility of the venue allows for a variety of events including drinks parties for up to three hundred people, large and medium sized conferences, product launches, private screenings and media presentations.

### Media Rooms

The newly completed media rooms have fantastic versatility; ideal for exclusive private events of all kinds particularly private screenings, photo shoots, conferencing, cocktail parties and just about anything that involves bringing people together in a creative atmosphere.

### Room Nine

Room Nine consists of an arrangement of beautiful spaces elegantly connected together with vibrant colours and tall elegant bay windows offering lots of natural light.

### West Rooms

The West Rooms offer exclusive private entertainment and meeting rooms. With cool restrained elegance and subtle interiors they include a central gallery connecting all the principle spaces; ideal for conferences, product launches, film shoots and banqueting.

### Studio Room

The Studio Room is ideal for smaller intimate drinks parties, conferences, private dinner parties and product launches. With its

high ceiling and large Victorian panelled bay window it is an elegant but simple space.
